Thanks for giving cash to MS centre

I WOULD like to thank everyone who donated £1,120 to the MS Therapy centre collection on the decorated Santa bus before Christmas. Special thanks to Santa's helpers, Natalie, Dale, Lisa, Amanda, Dennis, Ruth and Lucy.

Total raised on Santa's bus was £341, money matched by First bus £341, Santa's local club collection £438.

The 'Dennis' referred to above is Dennis Brown

He was persuaded by 'Santa' the Bus Driver to wear cap and bells and 'rattle a tin' to collect cash on the 51 bus for the local MS Therapy Centre.

It turned out that 'Santa' was one of the party of drivers from Sheffield who took Sylvia and (mum) Sally to North Wales in the year 2000 to take part in the 'Snowdon Challenge' competition. Sylvia, who has M.S., was carried around a 6 mile course in her wheelchair which was strapped to a metal frame

'Santa' recognised 'Dennis' as Sylvia's Dad!
